

# Lions Gate Quilters' Guild

January 2007

## FROM YOUR PRESIDENT

### Happy New Year! Welcome to 2007!

I hope that you enjoyed the holiday season and are ready for the adventures a new year brings. I am happy to report that we have a full slate of candidates for the executive positions that are available this year. It has been a lot like pulling hens teeth to find candidates but Dorothy and Isabelle have done a wonderful job and we owe them and their committee a big thank you.

Our Annual General Meeting is held in January every year. It is the meeting where elections take place and where decisions that require the input of guild members are made. It is also the time when we thank the retiring executive members and the volunteers that have made the guild work so well for the past year. If it is at all possible please be sure to attend the meeting and show your support and thanks for a job well done.

We had our first executive meeting of 2007 on Tuesday evening and I think that the year ahead will be an exciting one. We are in a stable financial position, programs are running along nicely, there are some fabulous workshops coming up, Marg and her Fall Seminar Committee are doing a fabulous job of pulling Fall Seminar together and more COPS days are booked.

After four years of serving on the executive I am at once happy and sad to be retiring. I look forward to browsing in the library, signing up for workshops and socializing but at the same time I will miss working with the wonderful women who have served along with me. The last four years have been filled with learning, challenges, friendship and laughter. I have received far more than I have given and I am grateful that I had the opportunity to serve the guild.

I would like to thank to the members who have offered kind words of support over the last two years and give my best wishes to the new executive. I hope that their experience is as wonderful as mine has been.

Yours in Quilting,  
Dianne

# NOMINATIONS COMMITTEE

## *Isabel Jenkins and Dorothy Porter*

Hello everyone,

The nominating committee is very pleased to report that we now have volunteers who have stepped forward for each of the executive positions being vacated at the end of this term. But it is important to remember that more nominations are very welcome, and can be done by contacting Isabelle Jenkins or Dorothy Porter prior to the Guild meeting, or to nominate a willing candidate from the floor at that meeting. The positions available and current candidates are as follows:

- President – Rosalind Knight
- Vice President – Dorothy Porter
- Secretary – Jean Millar
- Workshops – Marg Marlow
- Membership (one to be elected) – Vicky Digby and Bonnie Evers
- Member at Large (one to be elected) – Anita Jones-Gould and Dorothy Moseley

Many thanks go out to all those who helped with the phoning, and to those who have volunteered to date. With the support and participation of all the membership, we look forward to an exciting and successful year ahead.

### **President Candidate Statement—Rosalind Knight**

Volunteering has always been part of my life as a way of giving back to my community. To combine volunteering with what I like to do best is a great privilege. I am looking forward to working with the executive and getting to know more of the members of the Lions Gate Quilters Guild.

### **Vice President Candidate Statement - Dorothy Porter**

I feel very strongly that it is up to members to contribute to the ongoing success of their organization – whatever it may be. I will do what I can to support the executive and the members of the Guild over the next two years.

### **Workshop Candidate Statement - Marg Marlow**

I have truly enjoyed being on the workshop committee for the past 2 years. I still have exciting teachers I would like to bring to our Guild. With my many years of involvement, both teaching, and hiring teachers, and with your support, we'll have Fun, and Inspiring Workshops to look forward to. Thanks for your support.

### **Secretary Candidate Statement—Jean Millar**

I am running for Secretary because I want to contribute more, meet more people in the Guild, and to become better acquainted with members I already know. I have served on the Board of Directors of various non-profit organizations. Before retiring, my work life always involved writing letters and following proper legal procedures. Those experiences should serve me well if I become Secretary of your Executive. Since joining the Guild two years ago, I have always been impressed by its' accomplishments, by how things are run so well, so efficiently and with such dedication. Yet, the sense of fun is always there. I would like to help those impressive traditions continue.

### **Membership Candidate Statement—Vicky Digby**

I have been a member of the Lions Gate Quilt Guild for about 10 years. In those years, I have had the opportunity to take classes, meet wonderful quilters / friends and go on awesome retreats.

I have put my name forward again this term for Member's Coordinator because I would like to be able to give back to this awesome Guild and to continue serving as the Membership Coordinator.

I have found the last two years on the executive to be personally stimulating and rewarding. My years as an executive member have given me a better awareness of the delicate balance that any completely volunteer organization faces. With the growth of membership, some of us feel that the "other guy" can do the jobs required to keep the guild moving and growing. But an untended garden (or quilt) goes to seed. We have a wonderful place to share quilting with each other and with the community around us, let us all continue to nurture the Guild and keep it growing.

### **Membership Candidate Statement—Bonnie Evers**

(Not available at press time)

### **Member at Large Candidate Statement - Anita Jones-Gould**

I have enjoyed being part of the Guild, the meetings and the classes. I feel that it behooves me to do something extra to see that it continues for everyone else to enjoy.

### **Member at Large Candidate Statement - Dorothy Moseley**

Hi! My name is Dorothy Moseley and I have signed up to be a member-a-large. I did so because I felt that I have sat back long enough and now would like to help out. Over the number of years I have been a member of the guild I have participated in very small ways and now I would like to extend myself a little further. I hope that I can be of some service and contribute to making the guild the success it is.

## UPCOMING WORKSHOPS

*Marg Marlow—Workshop Coordinator*

### Working With Hand Designed and Ethnic Fabrics

with Reynola Pakusich

For all levels of experience:

Learn a variety of ways to use that special fabric in your collection that you have been saving for a special quilting occasion. Participants will be shown a variety of quilt situations used for special fabrics that may apply to their own fabrics, as well as, designing their own quilt onto pellon fleece that is mounted on a wall. Many design insights will be gained from sharing class ideas. Focus will be to find your personal answers to the following questions: "What will I do with this beautiful fabric?" and "How can I bear to cut it up?"

Date: Friday & Saturday March 23, & 24<sup>th</sup>, 2007

Time: 9:30 a.m. – 4:30 p.m.

Location: Bridge Community Church, 515 West Windsor St. N. van.

Cost: \$ 98.00

**Sign up at Jan. & Feb. meetings**

Since retiring from a 35 yr. teaching career, Reynola, of Bellingham, Wa., has become very involved with quilting – a natural since she comes from a long line of quilters. During summer months she also spends time fishing with her husband David.

### Art 101 for Quilters, Experimenting with Colour and Design

with Barb Mortell

The idea of this workshop is to give the student a good ground-work in the Basics of Art. We'll look at design and colour principles in a variety of ways. Experimenting with some of these aspects of design will give you food for thought and a stronger foundation for your quilt making, whether you are interested in traditional quilts, innovative quilts or your interest lays somewhere in between.

Arriving to class with an open mind and few expectations of making a "prize winning" quilt will give you the most satisfactory results. Using the tools we are accustomed to (paper and pencil, sewing machines, scissors and rotary cutters) we will play with the principles of design. The varied schedule of exercises will include (among other things); drawing and colouring – both with pencils and with thread, cutting and piecing, writing, thinking, talking and sharing ideas, appliqué, composition and cutting and pasting. It's a basic art class, so come and have fun learning the basics!

Dates: Friday, Sat. & Sun. April 27, 28, & 29<sup>th</sup>, 2007

Time: 9:30 a.m. – 4:30 p.m.

Location: Can-Lan Ice Sports, Mt. Seymour Parkway, N. Van.

Cost: \$110.00

### Sign up at Jan., Feb., & March meetings

Barb is well known for her creativity, and has been sewing since she can remember. "I guess it's in the genes. When I was growing up my mother always had a project underway, whether it was a tailored suit or a hand knit sweater, and her mother constructed beautiful night gowns and Sunday dresses for my sister and I. We both took to sewing at an early age, she followed her path through university to become a teacher, and I followed my own not too straight or narrow path through art school, weaving and textiles courses, costuming and upholstery to end up here – as a quiltmaker! My biggest enjoyment comes from putting fabrics together, the overlapping patterns and accidental colour friendships that develop are always inspiring! I love to make triangles with perfect little points (doesn't always happen...) and I thrill at the charms of the simple square."

Workshops are booked for your enjoyment! Don't forget to bring your cheque book, or cash for sign-ups!

Each class has a maximum number of students the teacher will accept, or the booked room allows. Registration begins at 7:00 p.m. before the meeting starts, then again during the break. In the event there are more registrants than spots, a draw will be held after the last sign up date, participants will be notified, and the supply list sent out.

Checks for workshops will be cashed once sign-up has been completed, class is full, and Supply Lists have been sent out. This is usually 2-3 weeks before class begins, or right after the last sign-up date, and class is full.

### C.O.P.S. days for Spring 2007!

Saturday April 21<sup>st</sup>, Time: 10:30 a.m. – 5:00 p.m.

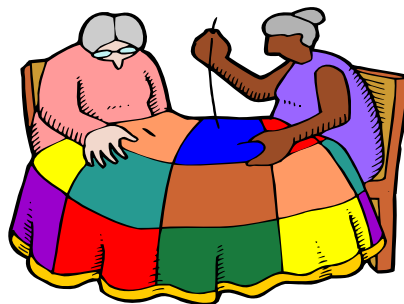

Saturday May 12<sup>th</sup>, Time: 9:30 a.m. – 4:00 p.m.

Location:

Bridge Community Church,  
515 W. Windsor St., N. Vancouver

Cost: \$10.00 plus a plate of sweets or savories

C.O.P.S. days are booked for your enjoyment and camaraderie of your fellow quilters. A time to finish a project or start something new. Come out and have some fun!

### Best Wishes for a Happy New Year!

As of the November meeting, the total Guild membership was 262 members. We had 5 visitors at the Nov. meeting. The Door Prize was won by, Karen Munro. Congratulations

Enclosed with this newsletter is your membership renewal form. Please follow the instructions on the form & either mail it or bring it to the January meeting. If you mail in your renewal, your new membership card will be available for pick-up at the membership table in February.

***Please remember to bring your form: this will save time at the membership table and make the renewal process so much more efficient! Thanks.***

The forms changed significantly due to the passing of the Personal Information Protection Act (PIPA) passed by the British Columbia government in 2004. Your reading and signing the renewal form says that you are aware of the Guild's policy concerning your personal information and its privacy. The Membership Coordinator will be the Privacy Officer for the Guild and therefore in charge of any privacy issues that may occur. If you have any concerns regarding these changes, please don't hesitate to contact the Membership Co-ordinator.

In order to save paper & mailing costs, and member's valuable time, the executive has decided to post the newsletter on the Internet. ***If you do not want to receive your newsletter in this fashion, please make sure to let me know on the renewal form.*** For privacy reasons, I will no longer be posting new members names and addresses in the newsletter and will maintain a current list at the member's table for your perusal.

**Name Tags** - Remember to bring your name tag with you. If you forget it I will have sticky tags for a donation of 25 cents - so remember to bring your own. ## COMMUNITY QUILTS 2007

*Edna Simpson– Community Quilts Coordinator*

**Friday—February 9, and  
Saturday—February 10, 2007  
Highlands United Church**

**Good news** ..... we are able to have both Friday AND Saturday for our workshop at Highlands United Church in Edgemont Village. Please note Friday starts at 9:30 am because of day care parking at the church and it would help them if we don't arrive until that time. We have the hall until 5:00 pm that day. Saturday, however, starts at 9:00 am. and we are there until 2:00 pm There is limited parking in the church's parking lots - in front (off Edgemont Blvd.) and in the back (off Brookridge - accessible off Ridgewood Drive). **DO NOT USE** the SuperValu parking lot. It might be a good idea to drive together or have someone drop you off.

For those who took labels to sew, please return them to me at the general meeting, Jan. 25th, or at the workshop, Feb. 9th. We are also looking forward to seeing your finished quilts from last year(s) and ask that you bring them to either the meeting or the workshop. Any leftover fabric, batting, safety pins, and patterns should also be returned

Tea, coffee and goodies will be provided but please bring your own mug and lunch if necessary. If you are able to bring cookies or snacks on one of these two days, please call Doree Piercy ((see membership list for number) so that she can organize the setting up of refreshments.

Do consider coming for 1 hour or 2 days as there are many ways you can help ----- from sewing your own (or with a friend) quilt, layering & tying quilts, sewing on labels, hemming on bindings, ironing and cutting fabric). If you are unable to spend the day with us, you are welcome to pick up fabric to work on at home.

We have been asked by Lions Gate Hospital Perinatal Unit to make some smaller baby quilts (30x30) as well as the 36x36 or 36x40 so ..... see what you can do !!!

I still need some people to drive our supplies to the church Thursday evening (Feb. 8) and back to Mavis' and my homes on Saturday (Feb.10). Please call me (see membership list for number) if you can give us a hand.

Three of the artists will attend the opening reception at the gallery, Sunday, January 28, from noon to 4pm.

*who has put their name forward for the new executive. Being on the executive involves extra work and commitment but it is made easier by the amount of support given by other guild members so I would also like to thank all those who have given of their time and energy to every aspect of our guild. The list would go on and on if I tried to think of all the things that you all do to make this guild what it is. So....Thank you everyone!*
