

Lions Gate Quilters' Guild

January 2008

FROM YOUR PRESIDENT

Happy 2008!

I hope you had a great Christmas and holiday season. I so enjoyed all the concerts my Grandchildren participated in. I wished that I hadn't enjoyed all the food around the holidays quite so much.

Are you are looking forward to the quilt show and getting a quilt ready as well as things to sell in the Boutique at the show? There will also be lots of opportunities to volunteer at the show. More information will be coming to you soon.

Some great meetings have been planned for this year including **Marg Marlow's Trunk Show** in January, and **Louise Jackson's** presentation about working in **silk** at our AGM in February.

Since tables and chairs have to be set up for our meeting and the set up is done in the morning we have the use of the room during the day **if it is arranged beforehand**. We were thinking perhaps you would like to plan layering or a 'bee' or something during this time since many of you do not belong to small groups and also have difficulty getting a space for laying out the layers of your quilts. What do you think?

Carol Piercy will be setting up a 'Help Desk' starting in January and will be available before the meetings, at the break and even after the meeting if necessary to help with the details of piecing, quilting, finishing etc. So if you have problems don't be shy about approaching Carol.

Our treasurer, Janet Kugyelka, will be presenting our 2008 budget to you in January so that you will have an opportunity to examine and question it and be prepared to vote at the February AGM. If you remember we moved the AGM to February so that year-end financial information could be collected.

Now that our budget is in line we don't need to be afraid of inviting speakers or having some different meetings. We would welcome some ideas on what or who you would like to see at a meeting.

See you in January!

Rosalind

MEMBERSHIP

Vicki Digby-Membership Coordinator

Best Wishes for a Happy New Year!

November brought no new members so our total number of members remained at 236. The Door Prize was won by, Frieda Rabinovitch. Congratulations!

Membership renewal is due February 1. The renewal form is available three ways, attached at the end of the newsletter, at the membership table, and posted on our website, so you have lots of choices for renewal this year. Please follow the instructions on the form & either mail it or bring it to the January meeting. If you mail in your renewal, your new membership card will be processed and ready for pick-up at the membership table at the next meeting. The yearly membership dues will remain at \$45 and because it is a Quilt Show year an additional \$20 will be collected for 5 quilt show tickets.

Please remember to bring your form: this will save a lot of time and make the renewal process so much more efficient! Thanks.

As this is a Quilt Show year, it is important to renew your membership by March 16, 2008 in order to qualify to hang any quilts in the show.

Name Tags - Remember to bring your name tag with you. If you forget it I will have sticky tags for a donation of 25 cents - remember, you can't win the door prize without a name tag. Look for people with a green border on their name tag, this means they are either a guest or a new member. Please help them to feel welcome!!

COMMUNITY QUILTS

Edna Simpson– Community Quilts Coordinator

Friday, March 7 AND Saturday, March 8

Prior to our workshop at Highlands United Church in Edgemont Village in March, I would like some help with cutting fabric for kits to be ready for the workshop. It could be done either at home or on a Thursday at Molly Nye House in Lynn Valley. Phone me at 604-985-5226 so we can arrange it. I would also like to get names of people who would be willing to take the fabric to the workshop on Thursday, March 6 as well as returning it to me on Saturday, March 8.

The Friday workshop is from 9:30 am to 5:00 pm while the Saturday one is from 9:00 am - 2:00 pm. You can come for a short while or for both days. You can bring your machine and sew on your own quilt (or with a friend) OR there are many other things to do - layering & tying quilts, sewing on labels, hemming on bindings, ironing and cutting fabric. If you are unable to spend the day with us, you are welcome to pick up fabric to work on at home.

Preferred quilt sizes are:

Baby 30 x 30 or 36 x 40 Lap/Crib 42 x 54

Twin 54 x 72 or 64 x 82

I hope you will be able to join us and participate as this is one of the main purposes of our guild to provide quilts to the community. Remember **MARCH 7 AND 8.**

NEW YEAR'S RESOLUTIONS

I will not add anything to the stash unless something else comes out

I will finish a project before I start another

I will clean up my sewing room and throw out, pass on, or donate those things that have not been used in years.

I will sort my fabric stash so I can find things in a timely manner so I don't have to buy more because I can't find it

I will try and make time in my busy life to quilt at least one day a month because it makes me happy

I will leave time in my sewing day to sweep one floor, dust one flat surface, and make one meal for my husband/wife at the very least.

I will not feel bad if I break any or all of these resolutions!

Fabric Hoarders Beware !

A recent study has indicated that **fabric gives off certain Pheromones, that actually hypnotize women and cause them to purchase ungodly amounts.**

When stored in large quantities in enclosed spaces, the Pheromones (in the fabric) **cause memory loss and induce the nesting syndrome** (similar to the ones squirrels have before the onset of winter, i.e. storing food) therefore perpetuating their species, and not having a population loss due to their kind being cut up into pieces and mixed with others. Sound tests have also revealed that these fabrics emit a very high-pitched sound, heard only by a select few of breed of women known as customers.

When played backwards on an LP, the sounds are heard as chants "**Buy me**" "**Cut me**" "**Sew me**"! In order to overcome the so-called feeding frenzy effect that these fabrics cause, one must wear a face mask when entering a storage facility and use ear plugs to avoid being pulled into their grip. (One must laugh however, at the sight of customers in a fabric store, with

WW2 army gas masks and headphones !)

Studies have also indicated that **aliens have inhabited the earth**, helping to spread the effect that these fabrics have on the human population. They are called **fabric store clerks**. It's also been my experience that these same Pheromones cause a pathological need to secret these fabric purchases away when taken home (or at least blend them into the existing stash) and when asked by a significant other if the fabric is new, the reply is "I've had it for a while"

Pat Gormely—Quilt Show Coordinator

QUILT SHOW NEWS

Happy New Year! I hope everyone had an enjoyable holiday season. Now we need to get down to business regarding our upcoming show. The Quilt Show Committee had a very productive meeting in late November. Every suggestion from the last show was reviewed and there was a lot of positive, enthusiastic discussion regarding the 2008 show. I am delighted to have such a keen group working hard to make our show successful.

Our "Album of Quilts" has always featured a wide variety of quilts, demonstrating a range of quilting experience, from beginner to advanced. Many of you have experimented with new techniques since the last show – this is your chance to show off your new skills! There were exclamations of delight at what was undertaken at Fall Seminar. Let's see what you learned! All of us have those famous "ufos" hidden away. Get them out and finish them off. If you are new to quilting, your quilts are most welcome. Visitors to the show are so impressed when they see those "first quilts". It really does provide encouragement for people who have been considering trying their hand at quilting.

The "Rules for Registration" are included in this newsletter. Please take the time to read them. **Remember you must be a guild member by March 19, 2008 to be eligible to hang a quilt in the show.** Also, as you renew your membership, thank you once again for your support in purchasing show tickets.

Happy Quilting,
Pat Gormely

3. Quilts exhibited in previous LGQG "Album of Quilts" are NOT eligible for entry to the 2008 show.
4. Quilts previously exhibited in the province of British Columbia in the year 2008 are NOT eligible for entry in the "Album of Quilts 2008" show.

TIDBITS FROM THE TREASURER

Janet Kugyelka , Treasurer

A new year has begun.... and with it a new financial statement! Yes! It's true! Be the first to get your copy of the soon-to-be-assembled 2007 year end financial statement and 2008 planned budget! Hotter than the newest condo block on the market!

The information will be distributed at the January meeting for review and discussion, with anticipation for consideration by the membership at the 2008 Annual General Meeting in February.

The executive has reviewed the preliminary information and are satisfied (dare I say pleased?) with our financial health. Now if only I could get my seams to match as well as the bank accounts.....

As always, don't be afraid to email or call with any of the executive if you have any feedback, suggestions or questions.

Eileen had been experimenting with non-traditional materials for the past 3 years. In this 2 day workshop we will explore materials such as tyvek, polyester sheers, plastic wrapping paper, and puff paints to make interesting surfaces, which can then be applied to fabric to make small wall hangings. In working with these materials Eileen has tried melting them using various heating appliances with interesting results. The first day we will mainly experiment with the materials and techniques. On the second day we will use the exciting samples that we have made to make a small wall hanging.
