

Lions Gate Quilters' Guild

March 2010

From Your President:

First of all, many thanks to those who stepped forward to volunteer for the executive. Unfortunately, one position did not receive a volunteer - we need someone to come forward to look after programs. This job entails phoning the speaker for the meeting to reconfirm, find out space/equipment needs, meet her at the door, make sure she has everything she needs at the meeting, etc. The speakers are booked for this year and for 2011, you'll have lots of help with ideas from the executive if you need it. Dianne will be looking after the mystery quilt until it finishes in June and after that it is totally up to you if you want to organize a block of the month or whatever - this is optional, and again we're happy to help with ideas. This is a great job for a couple of friends as well - take a hint from Cathy and Pamela in the library and volunteer together! For one person, it's always fairly easy to find help once you have volunteered to take it on.

Our meeting will be VERY boring without a program! Speaking of which, wasn't Linda Sharp's talk wonderful? And, as she promised, VERY FUNNY. Thanks so much Linda and I hope you got lots of first liners! This month's program is a talk on South African fabrics by Maureen van den Dool of Creative Edge Quilting and April will bring us Esterita Austin.

Community Quilts was lots of fun and a good turnout. We'll be seeing some of the new quilts at the meeting and I believe Edna will have a few that need to be machine quilted. I'd like to take this opportunity to thank Edna Simpson for her years of organizing this - I know she works all year round on the patterns and kits and has put many, many hours into Community Quilts. She'll be looking after matching up the current quilts to their recipients, and slowly turning it over to Rosalind Knight.

This is the last month to register quilts for the Quilt Show. Don't forget to volunteer for the show as well!

See you all on the 23rd - that's the fourth Tuesday of the month, not the last!

Carol

Mini Spring Seminar with Esterita Austin

Let's fill the hall!

Remember there are still a few spots available in the 'Painted Bowls' workshop. Friday April 30 and Sat. May 1st. \$270 plus \$30 kit fee.

Please visit Esterita's website to get inspired!

Quilt Show Reminder

There is one meeting left for quilt registration so make sure you get your registrations in to Elaine Fjoser. You can drop the registration of at her house, mail it to the guild address or deliver it to the meeting. The deadline is March 31st. You Could Win!! As announced at our January meeting, for every quilt that you register for the 2010 show your name will be entered into a draw for a 1 year membership to our guild.

This show marks the 10th anniversary of our Album of Quilts Show and we want to make it as special as possible. The Quilt Show Committee is working on ideas but we do need help with a couple of the committees. To help with education call **Jo Ann Lee**, to help with publicity call **Krista Hennebury**. Both of these ladies have taken on jobs that are too large for one person so please offer your time and talent. Also if you have any ideas as to how we can celebrate our 10th anniversary please send them to me in writing at programs@lionsgatequiltersguild.com.

Upcoming Workshops

By Joan Herrin, Workshop Coordinator

A piece leftover from February - A huge thanks to Carol Piercy as we have just completed the 'Seminole Six' workshop. We have created some soft and subtle quilts and some bold and bright quilts but one thing is for sure, they are all very striking quilts. Wait until you see them!! Thanks Carol – it was a lot of fun.

'DRAWING ON YOUR STASH' with Linda Sharp is drawing to a close. This course was guaranteed to be lots of fun with lots of laughs!! We have enjoyed both and, at the same time, have had the opportunity to review the principles of design – line, shapes and shading and colour. Linda, thanks for sharing your humor and knowledge of art basics with us.

'QUILT SLEEVE' Refresher:

Over the past couple of quilt shows we have noticed that many of you have had some difficulties with the size and the attachment of the quilt sleeves which are used to hang your quilt in the quilt show. Well, do we have a solution for you!!

Krista Hennebury will be available at the April COPS Day and Carol Piercy will be available at the meeting day 'Drop In' on Tuesday, April 27th to help if you need some instruction or a quick refresher. A sleeve that is well attached and is the correct size is a huge bonus for those who work so hard to make our quilt show look well turned out.

COMING IN THE FALL OF 2010

We have booked Dianne Stevenson for Saturday, October 16th at which time she will be teaching "Tumbling Maple Leaves". This is a 20" x 46" table runner which shows how 'fabric manipulation makes traditional leaves dance in the wind'. Check out her website :

www.blackcrowquilt designs.com

Helen Fujiki, from Toronto, will be passing through Vancouver enroute to Japan but will be stopping long enough to present, at our October Guild meeting, a one hour movie of her textile tour of Japan and the Tokyo Quilt Show. Helen works with Japanese fabrics and includes many panel fabrics in her designs. We are hoping to offer a two day workshop called 'Fuji Wa' with Helen on Tuesday, October 26th and Wednesday, October 27th. If you are interested in this course look at your calendar now and book the time off work. Check out her website :

http://www.helenfujiki.com/Fuji_Wa_Quilting/Welcme.htmlat

More information will be available for Dianne and Helen's courses as the details are finalized with registration to begin at the May meeting.

Workshop Cancellation Policy:

If a class overfills on the first night of registration, there will be a lottery.

If a class does not fill on the first night of registration, the workshop committee will decide if the class will go ahead.

If a class does go ahead all those registered on the first night would be guaranteed a spot. Further registrations would be collected on a first come basis.

In other words, if you really want to attend a workshop make sure you get your cheque into the workshop committee in person, by mail or with a friend by the first night of registration.

Library Report

By Nancy Sunderland, Librarian

February, 2010

What a surprise to find at the last meeting that some of you had brought books and magazines that you had owned and enjoyed, to give away. A table was set up and many interesting books found a new home. However, what to do with the books that remained at the end of the meeting became a problem as there was no extra room on our selves to store them. For this reason we ask you to please hold on to your books to give away, until the November meeting and sale, where a table can be set up for this purpose. In this way we will not be faced with the dilemma of what to do with the left over books at the end of the meetings.

A big thank you to Sherry Jonn for donating many back issues of great magazines to the library including Quilting Arts magazines, Quilt Mania magazines, Down Under Quilts magazines, Quilting Challenge magazines and others. She is taking a fashion design course at VCC and needed to make space to do her homework - lucky us! Sherry tells me that she is loving her course. These books will be offered on the honor system. (take it home for a month and bring it back so someone else can take it out.)

March, 2010

The best part of being librarian for the past 2 years has been getting to know so many of you and to be able to offer you such a fabulous resource of books, magazines and DVDs that have inspired you to create your amazing quilts and art pieces. I will miss the many happy hours of choosing the new books and drooling all over them as they come in.

I want to say how much I have enjoyed working with the executive who's wealth of knowledge and experience have taught me so much.

Especially I want to thank my very hard working and efficient friends and helpers Gaye McCance, Susan Kimm-Jones and Arlene Simpson who so faithfully came to every meeting and to Kerrie Serben, Anita Jamieson, Marina Green, Val Hall and Tricia Sherman and so many of you who just fell in when you could see that we could use a helping hand. Thank you all for the time you spent to make our job run smoothly.

I am pleased to hand over the library key to our new librarians Cathy Jamieson and Pamela Pellegrini and wish them all the best.

Nancy Sunderland, Past-LGQG Librarian

[Thank-you, Nancy, for submitting your last two reports! Check out our new librarians' introductory report on Page 7](#)

Community Quilts

By Edna Simpson, Community Quilts Coordinator

We had a very good workshop last month. About 50 of our members came over the 2 days and a lot was accomplished. We will be showing some of the finished quilts at our March meeting as well as bringing 9 quilts that need to be machine quilted. These have been layered, pinned or basted together and need to be machine quilted (simply - unless you want to do more). Please do take them home to finish. If you have completed a community quilt, please bring it to the March meeting.

MANY THANK YOU'S to Linda Heese, Sonia Milanez, and Joan Gold for taking fabric & supplies to the church. To a great bunch of people who helped with setting up and taking down at the workshop where things happened before being asked and were done so quickly. To Carol Piercy & Dorothea Matewish for bringing large tables (in addition to the church ones) which really helped with many quilts being layered. To Myra Frampton for looking after the coffee/tea breaks on Friday and to Mona Morrison and Julie Cockcroft for doing it on Saturday. To Doree Piercy for taking our orders for those delicious baguette sandwiches from Galleria Deli (Edgemont Village) and bringing them back for lunch. To Carol Piercy & Krista Hennebury for getting a storage locker to put our supplies in and to them and Sonia Milanez, Bena Luxton & Mona Morrison for getting everything down there and put away. You are all really amazing!

Our committee (Brenda Sangster, Mona Morrison, Mavis Walkley and Lynn Hitchcock) have been great to work with and have contributed a lot to the success of community quilts over the years.

Programs

By *Dianne Ritter*

Our March program is a talk by Maureen van den Dool of Creative Edge Quilting. Maureen will be talking to us about her recent trip to Africa, the experiences she had and the textiles she found there. Of course the Mystery proceeds as planned. I have been lucky enough to see the fabric that a number of you have chosen and look forward to the finished products! I just love a mystery!!! My term as program coordinator is finished so this is my last newsletter submission. It has been a learning experience and a lot of fun being the program coordinator and I look forward to participating in the programs that the next person comes up with. That person could be you! C'mon - take a chance - spread your wings - you might just learn to fly.....

Library Report (part 2)

Hello Guilders we, Cathy Jamieson & Pamela Pellegrini, are looking forward to being your new librarians and getting to know the members of the Guild better. We know there are many fabulous quilters in the Guild and so in our new position of librarians we'll be able to expand our own skills and enjoyment of quilting plus having the fun task of purchasing new and interesting quilt books. If any of you have any book suggestions please let us know. Many thanks to Nancy Sunderland who has done a wonderful job as librarian and we look forward to her support at the next meeting. Also if any of you would like to help us out occasionally in any way it would be most welcome. Please contact either Cathy or Pamela by emailing librarian@lionsgatequiltersguild.com

SCRAPS

A Thoughtful Project for all your **SCRAPS**: **Pillows for the Homeless**

Carol sent the following instructions on how to make a simple pillow that will use up your scraps in a very GREEN way, but will nevertheless make life on the streets a little more comfortable.

Everything becomes the pillow filler and you can feel great about recycling (!) plus your pillow will be donated to the "Living Room" an outreach drop in centre in Vancouver for the homeless. They are given the pillows so that they have a soft, comfortable place to put their heads whenever they happen to bed down.

No need to use your finest quilting cotton. Upholstery fabric/samples are perfect.

Just make a pillow/cushion case - 18" x 18" is ideal however a rectangular pillow is fine, too. If you have scrap batting to line each side with, the finished pillow is that much softer.

Cut your fabric to size, with right sides together, and batting on the wrong sides, firmly stitch using ¼" or ½" sa, your choice, or serge around the edge leaving an opening approx 6" long. Baste both edges of the opening open to keep it tidy.

Turn right sides out and keep by your sewing machine, instead of a waste can, to fill with all your snippets, salvages, threads, cut off batting and fabric from squaring up your quilts, etc. When your pillow is fully stuffed slip stitch the opening closed.

One of our pillows was spotted in a McDonalds in Coquitlam, so you just never know who you might be helping out.

Bring finished pillows to any LG meeting – Carol will collect and deliver to Kim Carlson, who is looking after the program for the North Shore.
