

# Lions Gate Quilters' Guild

April 2007

## FROM YOUR PRESIDENT

As I sit writing this letter the sun is shining, the blossoms are out, the bulbs are up and all is right in my quilting world. Hope it is with you too. Reynola's talk and workshop were very successful. What a knowledgeable lady and so talented and interesting with it! I am now looking forward to getting to know more of you at the spring retreat in April and the Kamloops show in May.

Our first run at an electronic newsletter was very successful, as we only had to use the Post Office for about 60 letters. A few people didn't understand, however that the email lets you know when the newsletter is available and does not contain the newsletter but is only a link that you click onto to take you to the website. Please tell Vicki Digby if you are not getting the email link. Perhaps we have an incorrect email address or no address at all for you.

Our April meeting is on the 24<sup>th</sup>, which is the 4<sup>th</sup> **Tuesday** of the month. This is a permanent change to our meeting nights while we are at this location. While this change may be new to some members, in the history of the Guild we have met on Tuesday nights so some might say we are returning to our roots. The new location will be at St Andrews and St. Stephens Presbyterian Church at 2641 Chesterfield Ave. Turn left from Lonsdale onto 27<sup>th</sup> and go 2 short blocks. It is right on the southwest corner. The lane on the south side of the church leads to the parking lot and there are steps down from 27<sup>th</sup> street into the parking. If you have a mobility problem you may park in front and enter the front where there are no stairs. Otherwise, there is parking for about 50 cars in the

rear with a rear entrance but there are a number of steps inside. If you are able to walk a short distance there is also plenty of on street parking around the church. Do try to go green and car pool by calling someone on our membership list that lives in your area. In April we are returning to our tradition of the venue door being shut until 7:00 PM to allow for set up to be uninterrupted.

The executive would like to extend many thanks to the volunteers who went looking for an alternate venue for us, especially those who went on the bus. What loyalty to our Guild!

With the change in our Guild meeting night, Barb Mortell and Stacey Armstrong have had to postpone their trunk show till a later date (TBA). Community Quilts will be showing us some of the quilts that have been produced this year at the April meeting.

Sherry Jonn has stepped forward to volunteer as our publicist for the Quilt Show in 2008 and Elizabeth Marshall has stepped forward to volunteer as our Guild Archivist. Thank you ladies this was VERY much appreciated. We have possibilities for a Quilt Show coordinator(s) and a Raffle Quilt coordinator(s) but please let a member of the executive know if you are willing to help.

## PROGRAM

*Maureen van den Dool— Program Coordinator*

### 9-PATCH EXCHANGE

April will be the last month of the 9-patch exchange. To accommodate the people who are unable to get to the guild meeting before we start dividing the blocks into piles, we have decided to collect blocks until the **beginning** of the meeting break. If you have two sets of 25 blocks to hand in be sure to let one of the committee know as you hand them in. We will not be sorting the blocks until **after the meeting**. This change in procedure means that you will **pick up your last set of blocks at the May meeting**.

### Mystery Quilts

Sorry for the mix-up with Under Cover in Houston. Hopefully all of you have your updated instructions by mail. You can also review the instructions for that block on the guild website. This month is the last month for instructions for the mystery. Several of us are going to invade the May 12th COPS day and get motivated for show and tell at our May meeting. I can hardly wait for show and tell to see the uniqueness of all the quilts.

## MEMBERS AT LARGE

Do you know a member who is ill or otherwise needs cheering up? If so, please give the information to Members-at-Large, Isabelle Jenkins or Dorothy Moseley, (or any other executive member) to have a card sent from the Guild.

**MEMBERSHIP**

*Vicki Digby-Membership Coordinator*

Dear Members,

The Guild currently has 210 members. We have 6 new members this month. Please look for and welcome Sandra MacGillivray, Danielle MacGillivray, Betty Lu Bridges, Hester Rodgers, Nina Popovska, and Pamela Pelligrini to our Guild. Pat Ingram was the winner of the Door Prize at the March meeting. Congratulations!

The 2007 Membership lists have been printed and will be available for pick-up at the April meeting. This worked very well last year and saved the Guild quite a lot of money on postage, so please be sure to pick up your copy. If you know of a member that will not be at the meeting please pick up theirs for them. Thank you. This will simplify a big job! Happy quilting!

**Name Tags** - Remember to bring your name tag with you. If you forget it I will have sticky tags for a donation of 25 cents - so remember to bring your own.

**Janome Expression**

**A NEW CREATIVE TOOL**

## TIDBITS FROM THE TREASURER

*Janet Kugyelka, Treasurer*

Thank you very much to those who offered to help me with collection of advertising revenue. I now have an assistant -- thanks Sherry John!

I'll be working on preparing a financial statement to circulate before the June meeting. This should clarify the numbers regarding Album of Quilts (Quilt Show) 2006 as well as present a revised budget for the 2007 year, with estimates based on our membership numbers, electronic newsletter, and new venue. A vote from the membership will be required as to the revised budget. There will also be some changes to our Constitution as a result of the vote at the AGM in January to change the AGM to February. Hence, the June meeting will also contain a special General Meeting.

The executive needs your feedback on recent programs. Would you like to see more presentations at the meetings? Guest speakers (such as at the last meeting) can be enormously informative and inspiring, but can incur significant cost. Would you like the executive to allocate more funds to bringing in more local, out-of-town or international speakers? Or is the balance about right as we are managing the program now? What would you like to see to make the monthly meetings more fun or interesting? Is the current membership fee about right? Or too much? Would you be willing to pay more if we provided more guest speakers? Feedback is always welcome --- your complaints or compliments can only help the executive manage YOUR guild how it best suits the needs and interests of the membership. Call or email (or snail mail) the executive to share a piece of your mind.

And speaking of piecing, I got some sewing done in March --- its "waiting to be completed", of course, but the machine still runs!
