

# Lions Gate Quilters' Guild

June 2009

## FROM YOUR PRESIDENT

From Your President

Sorry I missed the last meeting, but I hear show and tell was awesome and Gail Hunt's talk was wonderful. I am NOT going to miss the next meeting - we have over 100 quilts registered but not yet shown - get those needles humming, I know mine is! In anticipation of this being a BIG show and tell month (in case you've been in some other solar system, this is the last chance to show your UFO's and get registered for the big draw), the meeting will go as follows:

Approximately 10 words or less in greeting from yours truly - okay, don't hold me to that but definitely two minutes or less! Then we'll have our speaker - and you can all guess how excited I am about this - Pippa Moore is coming to talk about her Ugandan Project (more info in the programs section). I spent some time in Uganda about 25 years ago and am very interested in hearing about her project there. THEN we'll have Show and Tell. We're going to have lots of hanging room for the Show and Tell quilts - a mini quilt show! So we'd appreciate a few people just kind of coming forward to help out with it. We do anticipate a lot of quilts, so please try to register them with Dianne before the meeting starts. After Show and Tell it's the second part of the meeting - grab some food (Myra and co. are organizing some special sweets and savories for us), admire the quilts, socialize, sign up for seminar classes (bring a cheque!), socialize, return your library books, buy 50/50 tickets, socialize, pick up your guild shirt, admire more quilts ..... THEN after a while (and it's going

to take a while to get everything organized and let the UFO crew have some fun as well) we'll have the draws - door prize, 50/50 and UFO challenge.

You may have noticed that in the meeting description, there is no mention of tables to sit and work at - we realize this has been a feature of the June meeting for the past couple of years but, to tell the truth, we have a very full meeting this month (time and space-wise!). We feel it is better to have more room to view QUILTS and have therefore decided to move the table component to September, when we'll have a fun and games welcome back from summer table meeting - hope this meets with everyone's approval and/or understanding.

SO - see you on the 23<sup>rd</sup>, - don't forget COPS day on Saturday June 13 and DROP-IN day on Tuesday June 23 - we had people popping in and out all day last month.

Carol

## PROGRAM

*Dianne Ritter – Program Coordinator*

Time Flies! It seems like we started our COP/UFO program just a short while ago and here we are at the final show and tell of the year. Of the 311 registered projects – 138 have been shown at guild so I know there are lots more out there that are <-> that close to being finished. In anticipation of a large show and tell we have planned the meeting to allow maximum time for showing and viewing the quilts.

In preparation for the draw at the end of the evening I will need to add the final entrants into the draw once show and tell is over. To speed that process up it would help me if you bring your COP/UFO project by the program table before the meeting starts so I can check it off of the list.

Pippa Moore is going to be talking to us about her time in Uganda with a women's cooperative. There will be a power point presentation and a trunk show. Pippa has also agreed to bring her "shop on wheels" and some of the latest arrivals from the cooperative in Uganda so come early and see what Pippa has to offer.

For the puzzle lovers this month's crossword is joined by an anagram puzzle. I have some plans for the fall including more Journal Quilts and a Mystery Quilt with a Twist that will be unveiled at the September meeting.

Have a great summer!

Dianne

## SCHOLARSHIP WINNER

Lions Gate Quilters Guild Scholarship

The recipient of the 2009 Lions Gate Quilters Guild Scholarship is Megan Wedge, a student at Handsworth School. Megan was presented with the award at the Handsworth Graduation Ceremony on June 2.

Megan submitted an outstanding application. She is proud of the development and improvement of her sewing skills throughout her high school years. In this time she became interested in quilting. Her textiles teacher commends Megan for her positive attitude, her commitment to perfection, her problem solving abilities and her willingness to mentor and encourage younger students.

Megan plans to study Fashion Design at Kwantlen Polytechnic University. We congratulate her and wish her success in pursuing her career.

### REMINDER

Please remember to bring your cash or cheques with you to pay for the fall seminar, there are still spots left! If you haven't yet signed up don't wait too long, get in on your favourites.

## Passings

There is sad news to pass on, that a former member of our guild has passed away.

Alison Herman passed away recently, she was a member of the guild and in 2006 she won an Honorable Mention at the quilt show.

Her funeral will be held on Saturday, June 27th at 2 pm, at St. Catherine's Church in Edgemont. There will be a display of some of her quilts there as well.

## LIBRARY

*Nancy Sunderland— Librarian*

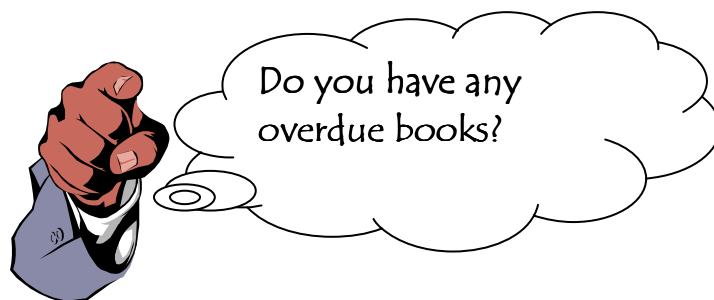

Once again the LGQG has made a donation of \$150.00 to each of the North Vancouver City & District Libraries and the West Vancouver Library. This money will be used to purchase books and/or DVDs on quilting. So if you need a book/DVD over the summer months you might find one there.

We will be doing an inventory of the books in the library during the summer. All our library books need to be returned at the June meeting. If you know that you will not be able to attend the next meeting please arrange to have a friend take them back for you.

See you all at the June meeting. It promises to be a fun one.

Nancy Sunderland

Downtown Eastside Centre for the Arts

Creating Opportunities for the Artist in Everyone

Fabric Arts

We Invite you and your organization to join us in building community  
through a Community Quilt Project.

The Fabric Arts Program gives the Downtown Eastside community opportunities to create together in quilt-making and other fabric arts. The program begins in May with a community quilt project which culminates in an exhibition and sale in October at the Interurban Gallery.

The Downtown Eastside Centre for the Arts will create an environment to assist participants in transforming their ideas into tangible works of fabric art. Everyone is welcome. No experience is necessary. Participants will be provided with all the materials needed. Workshop facilitators will help participants with sewing techniques.

Each quilting group will commit to designing and creating a fabric art panel that measures 3 feet by 6 feet. The Downtown Eastside Centre for the Arts will document the process through film and photography. Community groups can quilt at the Interurban Gallery and in their own space.

Our goals are to bring together diverse groups and individuals in the neighbourhood, to provide opportunities to develop their creative expression, and to encourage and build connections and relationships within the community.

This is an opportunity to participate in a collaborative program which creates connections between distinct communities and individuals in the Downtown Eastside.

*The Community Quilts will be exhibited at the Interurban Gallery in October 2009.*

The project runs from May 25, 2009 to September 29, 2009.

The workshops will be held at the Interurban Gallery  
1 East Hastings Street every Monday and Tuesday afternoon  
from 1:00 pm - 4:00 pm

*The Downtown Eastside Centre for the Arts provides opportunities for creative exploration, engagement, and expression in the heart of the city. Through participation in theatre, music, dance, painting, carving, and other forms of creative expression people create connections with themselves and with their community.*

*Residents of the community can gather together for arts activities inspired by artists and elders who are rich with encouragement, ideas, and curiosity. The Centre gives children, youth, adults, and older folks access to a welcoming environment with art supplies and tools to help them find the artist in themselves.*

*The Centre gives artists, social enterprises, and community groups interested in contributing to the cultural, social, and community development of the neighbourhood the opportunity to participate in creating the Centre for the Arts.*
